

DEPARTMENT SUMMARY IW

The Information Warfare Academic Group (IWAG) is an interdisciplinary group. Members hold faculty and staff appointments in departments throughout the Naval Postgraduate School and voluntarily hold seats on the IWAG. The IWAG is responsible for management, oversight, and implementation of the Information Warfare and International Electronic Warfare curricula.

Members of the IWAG make significant contributions in Information Warfare/Information Operations studies through their own research and student thesis work. The following pages highlight some of these areas of study. Research conducted by individuals in this unique grouping of academicians is generally associated with their parent department and therefore not listed here.
