

# DRMI Defense Resources Management Institute

DEFENSE RESOURCES MANAGEMENT COURSE | 2004

## WHAT IS IT?

A dynamic four-week educational program which provides U.S. civilian and military personnel (and their international counterparts) with an enhanced understanding of how best to effectively manage today's defense resources.

## HOW WILL YOU BENEFIT FROM THE DRMI PROGRAM?

- ❖ **Learn from One of the Most Respected Defense Resources Management Institutions in the World:** Founded in 1965, DRMI pioneered the education program that teaches the principles and concepts of defense resources management. The DRMI course is taught worldwide and its teaching methods serve as a model in numerous foreign countries.
- ❖ **Real World Applicability:** DRMI classes will arm participants with the necessary problem solving skills/tools, along with new insights, and new approaches, to face today's complex problems.
- ❖ **Shared Experiences with Your *International* Counterparts:** U.S. participants will work alongside their counterparts from at least 10-12 different countries. The international mix of participants adds a unique flavor that is unmatched anywhere.
- ❖ **Shared Knowledge with Other U.S. Experts:** Participants will gain new insights, knowledge, and perspectives from other U.S. students — management and program analysts, foreign affairs experts, financial managers, defense planners, and many others.
- ❖ **Network Opportunities:** The four-week session will provide ample networking opportunities.
